

CAM SUYU ANTİFRİZİ (-18°C)

Windscreen Cleaning Fluid

Description

Windscreen cleaning fluid containing detergent that prevents the freezing of the washer fluid and the windscreen washing system.

Applications

It is used safely in all passenger cars and commercial vehicles for four seasons.

Benefits

- Prevents freezing and icing on the glass surface.
- Effectively cleans dirt, mud, oil, insects, and plant residues.
- Provides long-lasting cleaning and protection in the windshield wiper system, ensuring clear visibility in all weather conditions.
