

ZİNCİR YAĞLAYICI

Description

High quality lubricating spray for chain repair and maintenance.

Applications

Suitable for use in all types of chains - standard and O-Ring, X-Ring, and Z-Ring.

Benefits

- Protects metal surfaces against corrosion.
- Easily penetrates into moving parts thanks to its infiltration feature.
- Protects the chain from corrosion and external factors, and extends its life.
- Reduces friction and consequent power loss.
- Provides durability at high temperatures.

Usage and Considerations

- Read the safety warnings on the product carefully before use.
- Do not apply on hot parts.
- Avoid contact with eyes and skin, and in case of contact, rinse the contact area with plenty of water.
- Do not inhale its steam.
- Do not use for other than intended use.
- Test before applying on plastic, rubber, and similar surfaces.
- Shake before use.
- Apply onto the desired area from a distance of 25-30 cm and wait for a while.
- If necessary, reapply onto the same surface.
